New Soviet Proposals for Long-Term Exchanges

Your memorandum dated 13 September 1957

25X1X1 The attached comments are submitted as requested in the referenced memorandum. Net advantage on the proposed exchanges is taken to mean [REDACTED] gain to the US versus [REDACTED] technological gain 25X1X1 to the USSR. In some specific instances a technological gain may accrue to the US; if so, it has been mentioned separately. Your attention is invited to [REDACTED] which 25X1A2g suggests that the US ask for an opportunity to acquire detailed information 25X1A2g on the operation of the Soviet economy as a whole, and not return industry visits.
